Bethel Methodist Church

Mister Banjo

The happy sound of banjo music brings enjoyment to all within earshot. And, generally speaking, music in all its forms has never been more popular than it is today — especially among young people — as performers translate emotion and feeling into musical expression. We all need an outlet for self-expression — whether it be through music, art, or any other form. Of course, the most common form of self-expression is verbal, and the church offers a forum for the exchange of ideas as well as a heartfelt expression of oneself and the world around us.
